Dear Friends and Supporters,

Cornerstone Christian Montessori School is committed to providing a learning environment for children that encourages growth not just academically, but spiritually and socially, as well. With our uniquely Christian Montessori approach, we aim to “build the cornerstones of tomorrow” by training children who will be leaders of the future, encouraging families, and inspiring communities. Our mission is to provide a Christ-centered community that educates and cares for the whole child based on the Montessori principles of learning, cultivating citizens who will be a transforming influence in the world for Christ.

Once a year, we host a community fundraiser to bring together families, community members, and supporters for an event that generates the funds necessary to help us pursue this mission. We would love for you to be involved! In past years, funds raised by your generous donations allowed us to improve our school’s playground equipment and outdoor spaces; establish a new Primary level classroom; offer tuition assistance to deserving families; and provide new educational field trip experiences for our students! This year, funds will help improve the safety of our facilities, as well as support the ongoing Montessori education of our dedicated teachers.

This year’s event is scheduled for Saturday, April 24, 2021 at Elcona in Elkhart. We are currently seeking items that may be offered in our Silent and Live Auctions. Donations may be made in the form of cash, gift certificates, or tickets to special events; as well as tangible new items, such as: art pieces, furniture, memorabilia and more. You may also donate an item or service provided by your business. These items may be adult or child-oriented. Your donations are tax deductible and a tax donation form is provided for your convenience. All donors will be advertised in the evening’s program and posted at the event.

On behalf of Cornerstone Christian Montessori, thank you for your consideration. Your contribution will truly have a positive impact on our school, our students, their families, and our entire community.

With gratitude,

Vicky Creasy,
Interim Head of School
& CCM Board of Directors
